Dear Alan:

My laboratory would be pleased to participate in the 2nd FASEB meeting on Chromatin and Transcription to be held June 27-July 2, 1993, at Copper Mountain, Colorado.

This is an important area that needs more attention, and the meeting should be very timely.

Sincerely yours,

Bruce M. Alberts, Ph.D.

Dear Alan:

This seems like a very appropriate time to convene a meeting on "Chromatin and Transcription." Things are starting to come together! I will be delighted to participate in any way in your proposed FASEB meeting at Copper Mountain.

Sincerely yours,

K. van Holde
